

Trustees - CPSL Mind

(Voluntary Role / Expenses Paid)

Do you share our vision of positive mental health for all?

Do you have the skills and experience to help us meet our inclusivity goals?

Cambridgeshire, Peterborough and South Lincolnshire (CPSL) Mind is a vibrant, values-led charity. We support local people in their recovery from mental health issues and promote positive wellbeing across our communities. Our work ranges from prevention and early intervention to award-winning crisis support. We also seek to influence positive change through our training services and ground-breaking campaigns activity.

We are embarking on an exciting new strategy - underpinned by our determination to fully represent our community and to care for our environment - and we are seeking new Trustees with the skills and experience to help us.

This is an opportunity to be part of our team of enthusiastic people, to give, learn and gain new skills and experiences while working to make a difference to lives and communities.

Our friendly, high functioning Board of Trustees brings a wealth of knowledge and talents, but is currently under-represented in the following areas:

- **Equality and Diversity issues**
- **Protecting the Environment**
- **Finance**
- **IT**

We are particularly keen to hear from individuals living or working in Peterborough or South Lincolnshire from ethnic minority backgrounds, the LGBTQ+ community, from the 18-35 year age group and/or anyone who relates personally to a 'protected characteristic' under the Equality Act 2010*

No previous experience as a Trustee is necessary: A full-induction and training will be provided.

If you have what it takes to help us take CPSL Mind's agenda to the next level, please contact Kayleigh.paske@cpslmind.org.uk

CPSL Mind recognises lived experience of mental health issues as
a positive asset in all areas of our work

* The characteristics that are protected by the Equality Act 2010 are age, disability, gender reassignment, marriage or civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation
